First Reconciliation and Holy Communion Programme 2027:
St Anne's RC Church Chertsey and The Holy Family RC Church Addlestone.

The programme is family based and is parish based.
You need to be worshipping either in this parish of St Anne Chertsey or this parish of Holy Family Addlestone on a regular basis in order to apply for your child.
As parents you will be required to come to one of our **October Registration Evenings** and to commit to help present and to attend each of the twelve sessions on the FHC programme, so that you help facilitate the group, and support and guide your child. At least one parent/guardian will be supporting each child in all the sessions. Your child will need to be present for all those twelve sessions and your child makes their First Reconciliation during the later stages of the programme at one of our special Children and Family Reconciliation Services: please join in those services with your children which will be held in your church. Parents we ask you please: can you sustain attendance, support and involvement with each session, for the sake of your child? Please will you also volunteer to support our catechist team by learning how to share the presentations? We actively seek new catechists among our younger parents.

If your natural church of worship is another parish other than St Anne's or Holy Family Addlestone then please apply for the FHC programme in that particular church and parish and introduce yourselves and involve in that parish programme.

Your child should have made their baptism. Our application form requires accurate details of the date and place of baptism: the certificate will be shown to Parish Priest and Catechists. Children being offered for Initiation and/or Reception into the Roman Catholic Church: those parents/guardians must engage with the RCIA and meet with Fr Graham this October. Parents/guardians complete the application form on the parish website/ using the following link **by Friday the 30thOctober 2026**
